WRUW PROGRAM GUIDE SUMMER 2008

Letters

The Spring 2008 broadcast semester has come to a close. We would like to thank everyone who donated to our annual telethon. You all really went above the call of duty this year to help us out. From the staff at WRUW-FM, we all appreciate your support.

I hope you all enjoyed our programming this past semester. Of course, we have made some changes for the summer. A huge class of apprentice programmers has just received their junior Studio C pilot wings and are ready to bring their twist on college radio to everyone in Cleveland. You can still catch many of your favorite shows on the air, but I urge you to check out some of the younger shows as well - you never know what you may find. There is nowhere else where you can find the range of issues discussed on college talk shows or the mind bending variety of music spun by college dj's. I hope you enjoy our new schedule and I am sure you will find something new you might enjoy on the schedule. I urge you to listen to something you are not at all familiar with, too. You may find something incredible.

Thank you for all your support,

Clark Short, General Manager

STUDIO-A-RAMA 2008

Since 1982, WRUW has presented Studio-A-Rama, a FREE, outdoor, day long rock show. Without your support year round, and especially during Telethon week, we wouldn't be able to bring you Studio-A-Rama.

In addition to presenting a national headliner, a driving force behind Studio-A-Rama is WRUW's desire to support local music.

We're currently accepting submissions to this year's Studio-A-Rama! If you're a local or regional band that hasn't played Studio-A-Rama in the last four years, and want to be part of this terrific event, then **send in your submissions to WRUW by June 30th, 2008.** The details on what and how to submit can be found on the WRUW website, wruw.org. All types of music will be considered, and musicians that have submitted in the past, but weren't chosen to play, are encouraged to submit again.

**Neal & Steve,
Studio-A-Rama Coordinators**

From the Telethon Desk:

Thanks to all our listeners who donated to this year's Telethon! Your support will help us maintain our sound quality, keep us streaming on the web, support this summer's Studio-A-Rama concert, and much more! If you donated by credit card, you should have seen the charge to "Case Student Affairs" by now. And all your music and WRUW logo premiums will be on their way soon.

Thanks again and all the best,

Ron

It is a well-known fact that Cleveland Ohio has the best College-Community Radio in the country. WRUW's mission is to promote the various types of music over looked by most of the radio dial.

As the weather turns sunny, the Northeastern Ohio Area has many outdoor venues to choose from. The Plain Dealer Pavilion, Cain Park, Blossom Music Center, and the Time Warner Amphitheater at Tower City offer an enjoyable summer concert season.
